Motorbike Helmet Interior Cleaner

Description

Cleans gently and thoroughly. Within a short time (approx. 10 minutes) removes the unpleasant odors that are caused by bacteria and mold. Forms a protective film that prevents rapid recontamination.

Properties

- removes musty smells
- forms a protective film
- provides a fresh and pleasant fragrance
- removes unpleasant odors

Technical data

Base	water-alcohol surfactant solution, aromatic principles
Color / appearance	colourless
Odor	Zitrone
pH value	neutral
Propellant	propane, butane
Form	aerosol, liquid
Sensitive to frost	yes

Areas of application

For cleaning helmet padding, visors, trim, dual seats, etc.

Comment

Ventilate the helmet well after using the cleaner.

Application

Shake product vigorously before use. Then spray on the surface to be treated, allow to act and rub dry with a cloth. Test plastic components on a suitable spot beforehand to make sure that the colors are not affected. Do not wear the helmet immediately after cleaning as the cleaner is based on a water/alcohol solution.

Available pack sizes
