Product information
Bike Chain Oil Dry Lube

PI 32/06/09/2026

Description

Outstanding long-term lubricant. Offers high creep and adhesive properties as well as excellent wear and corrosion protection. Noticeably reduces the friction of the chain and ensures particularly smooth running.

Properties

- excellent penetration action
- simple to use
- high capacity

Technical data

Base	synthetic oil, special additives
Color / appearance	pale brown
Density at 20 °C	0,9 g/ml
Water soluble	insoluble
Shelf life in original sealed container	36 months

Areas of application

For lubricating and maintaining bicycle chains, especially in dry, dusty conditions. Also suitable for e-bikes.

Comment

Avoid contact with brakes!

Application

Clean bicycle chain beforehand with Brake and Chain Cleaner (part no. 6054). Then apply chain oil thinly to the dry chain. Wipe off any excess. Any deposits remaining after shaking will not impair product quality and can be disregarded.

Available pack sizes

100 ml Bottle plastic	6051 DE-EN
100 ml Bottle plastic	21780 DE-EN-ES-FR-IT-NL-PT
